Principals

Lorenz Reibling

As co-founder, Chairman and Senior Partner of Taurus, Lorenz is focused on the development and nourishment of international relationships with investors and product sources predominantly in Taurus' non-U.S. related businesses. He is a frequent speaker at real estate conferences, and an advisor to the renowned MIT/CRE Center of Real Estate in Cambridge, Massachusetts. As Chairman of Taurus, Lorenz also acts as a spokesperson for the firm. Lorenz has been involved in hundreds of commercial real estate transactions since 1979.

Peter A. Merrigan

As President, CEO and co-founder of Taurus, Peter oversees the daily operations of Taurus worldwide. Peter has negotiated, structured and closed more than \$3 billion worth of complex real estate transactions, spanning over 20 years in numerous U.S. states and 7 countries. Peter capitalizes on entrepreneurial opportunities and executes economically viable projects that yield long-term value for both investors and communities.

Günther Reibling

As EVP, COO, and co-founder of Taurus, Günther oversees origination and development activities of new projects, including underwriting and acquisition. In addition, Günther manages the German operations and investors in particular. He has managed real estate construction, development, and sales since 1971. In 1976, Günther and partners formed TBG Taurus Bau GmbH, a Munich-based development company. In 1979, Günther was the first of the Taurus group to come to the U.S. to explore development opportunities.
